

**JUNE 1, 2008**

**Pastor's Corner.....**

Ho hum! Ho hum! Serving God is O so glum. This sounds like the song that many Christians sing when they do anything for God. When in reality we should be singing the same song the seven dwarfs sang in Snow White. They were going to work but they had a smile on their face, spring in their step, and were whistling all the way. Wow! Imagine how contagious serving God would be if we did it with the right heart and attitude and not just because someone has to do it and it needs to be done. My sermon this morning is entitled, "Living and serving Above Mediocrity". I pray that the Lord will put a new charge in our steps.

# *A Graduate's Prayer*

Father, I have knowledge,  
so will You show me now  
How to use it wisely  
and find a way somehow  
To make the world I live in  
a little better place,  
And make life with its problems  
a bit easier to face...  
Grant me faith and courage  
and put purpose in my days,  
And show me how to serve Thee  
in the most effective ways  
So all my education,  
my knowledge and my skill,  
May find their true fulfillment  
as I learn to do Thy will...  
And may I ever be aware  
in everything I do  
That knowledge comes from learning –  
and wisdom comes from You.
