

MARCH 16, 2008

Pastor's Corner.....

"For what is a man profited, if he shall gain the whole world, and lose his own soul?" This is probably one of the most sobering questions ever presented by the Lord Jesus. Consider the magnitude of the answer that every man that ever lived has to give. This morning, Palm Sunday, I am going to preach a message entitled "The Price of a Profit and the Cost of a Soul." We will look at one man that gave a costly answer and one who paid a costly price. We will be having communion following this morning's service.
