

MARCH 9, 2008

Pastor's Corner.....

One of the greatest things Christians "amen" but fail to practice is their faith in God. It seems that we know the verses and believe what Jesus taught, but when trials and troubles hit in our lives we fail to put those beliefs into practice. James tells us to show our faith by our works. We need to put feet to our faith and trust the Lord in our lives. My message this morning is entitled "Have Faith in God". May we each desire to see our faith grow into great action for the Lord.
