### Pastor's Corner.....

I remember in high school geometry I would get in the middle of a huge problem and throw up my hands and say "What am I suppose to do?" That is a tough place to be, but when you get the direction you need it feels great. You are then able to complete the problem and move forward. Life is the same way. Many times we ask the same question. As a matter of fact we NEED to ask that question because we don't have the answers to life questions, but God does. This morning we will take a look at the answer to the question from Acts 2 "...men and brethren what shall we do?" May God bless you as you worship our wonderful Lord and Savior Jesus Christ.

Although things are not perfect  
Because of trials or pain  
Continue in thanksgiving  
Do not begin to blame  
Even when the times are hard  
Fierce winds are bound to blow  
God is forever able  
Hold on to what you know  
Imagine life without His love  
Joy would cease to be  
Keep thanking Him for all the things  
Love imparts to thee  
Move out of "Camp Complaining"  
No weapon that is known  
On earth can yield the power  
Praise can do alone  
Quit looking at the future  
Redeem the time at hand  
Start every day with worship  
To "thank" is a command  
Until we see Him coming  
Victorious in the sky  
We'll run the race with gratitude  
Xalting God on high  
Yes, there will be good times and some will be bad, but...  
Zion waits in glory...where no one is ever sad!
