**Pastor's Corner.....**

Most of us come to the time and place in our lives when we need to think about a will. What we are going to do with all our assets and who is going to get what. In John chapter 3 we see the last will and testament of John the Baptist. As we look at this extraordinary man's life and listen to his final testament we could all wish to have the same outlook at the end. May the Lord bless you as we worship Him together.
