Pastor's Corner.....

Dishwashers are so fickle! Yes, I said dishwashers. Why am I talking about dishwashers in my pastor's corner? I'll tell you why. How many of you have gone to the dishwasher when it is finished "cleaning" the dishes only to find that some are clean but some are still dirty. They should all be clean right? Believe it or not the dishes in the dishwasher are like many Christians in a church. You expect them to all be clean vessels ready to be used by God, but you realize there are some that are still dirty and can't be used. The Bible says that there are 2 types of vessels - those to honor and those to dishonor. This morning I want to take a look at what it takes to be a vessel of honor - clean and ready to be used by the Master.

Why Go to Church?

A churchgoer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday. "I've gone for 30 years now," he wrote, "and in that time I have heard something like 3,000 sermons. But for the life of me, I can't remember a single one of them. So, I think I'm wasting my time and the preachers are wasting theirs by giving sermons at all."

This started a controversy in the "Letters to the Editor", column, to the delight of the editor. It went on for weeks until someone wrote this clincher:

"I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals, but I do know this. They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"
