Pastor's Corner.....

Happy Father's Day, Dad. The main question most people will ask you is "What did your kids get you?" The question God wants to know is "What have you given them?" Presents come and go each year, and as much as we love them, they simply do not last. However, a Father that gives his family what God desires for him to give them will last a lifetime and beyond. This morning we will look at two fathers who each gave their children an example to follow. My sermon is entitled "The Tale of Two Daddies". May God prick our hearts to be the men, husbands, and fathers this world and our families need. Tonight we will be having a special VBS commissioning service and I will be preaching a message I preached a few months back entitled "Who Will Go Get Wendell?" Please plan to be here!

A Father's Influence

Studies show that if the mother of a family attends worship, there's a 16 percent chance that the rest of the family will also attend.

Yet when a father attends worship, there's a 93 percent chance that other family members will be present, too.

Just think Dad of the clout you have and the privilege and responsibility you have to set a Christian example for your family.
