Pastor's Corner..... "The road to failure is paved with good intentions." This saying is all too true in life. Someone wants to complete a project and never even gets it started. Many folks say they will get saved someday only to pass away in their sins and spend eternity in hell. Also, many Christians say they have good intentions on serving God but never do. These are very unfortunate things. This morning I want to take a look at a young man that went a bit farther. He not only purposed but followed through in his life for God. I want to look at Daniel. May each one of us see the importance of purposing to live for Christ and following through with that commitment.

Handling worry

“Worry is like a broken record. Your thoughts go round and round in the same groove and you can't get unstuck for action. Concern, on the other hand, is seeing the same problem from a clear prospective and then taking positive action to correct it.

If you can't do anything about it, you need to turn it loose.”

Nell W. Mohney

There is a Helper available to all of us,

“Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us.”

Eph. 3:20

For the respect of your worship and the worship of others, please turn OFF all cell phones during service. Thank you
