Pastor's Corner.....

Why do I feel like my life is a train wreck? Nothing seems to be going right and the whole world is crumbling around me. Many Christians feel that way but can't put a finger on the cause. Sometimes it may be us that cause's our life to be off course. My message this morning is entitled, "Are You Rocking Your Own Boat?" We will take a look at Jonah and the mess he got himself into, and how God led him through. I pray the service will be a blessing to you.

Daring to risk

There is always a risk – when you reach for the beautiful. When you reach for the lovelier, finer, more fragrant things of life – there is always a risk – and you can't escape it. The risk is what makes the Christian life exciting. It is thrilling – make no mistakes about it. It is an adventure. As long as we live in this world, there will always be a risk in reach. There are timid souls who avoid high places because they are afraid.... But then there are others who avoid high ideals because they are content with low ones. There are persons who do not have high ambitions because they are lazy. Jesus remarked upon those who sought the small and shallow things of life, *"Therefore when thou doest thine alms, do not sound a trumpet before thee, as the hypocrites in the synagogues and in the streets, that they may have glory of men. Verily I say unto you, They have their reward."* Matt. 6:2

Let's be willing to reach for the bigger and more beautiful things, for the glory of God.
